

OFFICER CONSE,

I'm sending you this card  
for the Honorable way that  
you treated me A month  
ago when you saw me on the  
street. Your compassion is  
A Refreshing thing. Most  
officers would not have taken  
the time to talk with me as  
you did. Our conversation  
was taken to heart and I  
got clean again that night.

I'm coming up on one  
month clean, I got my old  
job back and things are  
better. I wanted to express  
to you how much your talk  
with me did, because I was  
not ready to stop. It was  
your kindness and your  
compassion that is probably

the reason I am clean today.  
It is ~~the~~ people like you  
that make this a great  
country. Thank you,

There are still people (you)

who know what these mean

and believe in

what they stand for.

They stand for America.

And so do you.

Respectfully  
Bruce Leroy  
God Bless  
you
